UDAC Refund Policy – 2011-2012

(as listed in the online registration module checkout section)

The UDAC Board recognizes that, especially for first-time families, there are unknown factors which may impact your decision to participate, especially the results of the New Swimmer Preview, Time Trials and the first few weeks of practice. While we require a fully paid registration before your child can attend sessions, we are prepared to offer refunds according to the following guidelines.

- For UDAC “SAL ONLY” PROGRAMS: A full refund will be sent, minus a \$15 processing fee processing costs, if your request is presented by Sep 24th.
- A refund will be sent, minus a \$70 fee, if your request is presented by October 1st (includes New Swimmer preview and initial practices).
- A 50% refund will be processed if your request is presented between October 2nd and October 30th (includes swimming Time Trials and several weeks of practice).
- Requests for “SAL Only” refunds after October 30th will be considered by the board.
- Requests for refunds for USA Swimming programs will be considered by the board and will generally require a doctor’s note.

You may notify UDAC of withdrawal and request a refund by emailing treasurer@udac.us or filling out the attached information and mailing to:
